## The GROOMS & GROOMSMEN Collection

WE DO A LOT OF WEDDINGS HERE AT DUCHESS. WE KNOW WHY, TOO.

The Ladies of DUCHESS are experts at creating with you the best ensemble for your big day, while honoring that it is an investment you'll want to wear for many future occasions. Whether it is your first and only suit, or one of many in your wardrobe, we make it easy for you to look your best, so you feel absolutely incredible on your wedding day.

We offer excellent group packages at a greatly discounted price for the Groom & Groomsmen, that include outfitting the groom in a custom 3-piece suit, shirt, and tie—with various options for the rest of the groom's party. Whether it is matching suits, or coordinating custom ties or pocket squares in your wedding colors, we help you achieve your vision of the masculine-side of the wedding style.

We welcome knowing as much about your wedding as you'd like to share, to best plan ensembles to go with YOU, your wedding theme, colors, location, and general feel. The Ladies of DUCHESS honor your unique wishes and we treat each wedding as the special event that it is!

We know you have a lot to keep track of, so we also keep track of your timeline and what needs to happen when to get the masculine side of the aisle looking as good as the feminine. We ask that you seek us out at least 12 weeks before your wedding, to facilitate this.
