## graphic DESIGN

## Professional graphic design solutions.

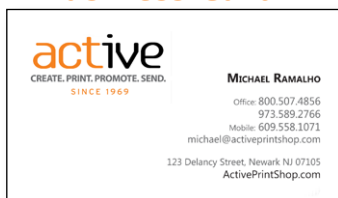

We are a small group of talented creative minds who can help develop new marketing ideas for your business. We specialize in working with small to medium businesses and understand their unique needs. We've been around since 1969 and have worked with hundreds of thousands of businesses like yours and delivered over half million projects to date.

Our group of designers, art directors, visualizers and copy editors are standing by to help you develop professional marketing communications, ranging from logos and business cards to web sites and a social media presence. Our solutions are customized to meet your needs, high quality to meet your marketing objectives and yet affordable.

## Other Products

We are not limited to designing the above products only. Our team of designers can give life to any project you may need. More options are Presentation Folders, CD Package, Rackcards, Stickers, Event Tickets plus any print products offered on our website.

Please contact us at [info@activeprintshop.com](mailto:info@activeprintshop.com) or 1.800.507.4856 to get a graphic design quote for your project.

## How It Works

- 1- Simply choose the product and design package that suits your needs.
- 2- Next, provide us with all the relevant information pertaining to your message and concept.
- 3- You may send us the images you'd like for us to utilize, or we can select images from our archives.
- 4- We will then conceptualize the design, create the files and send to you via email for approval.
- 5- After approval, your product will be printed and shipped to your satisfaction!
