

Top Mobile Accessories For the Ultimate in Road Trip Fun

Griffin Cinema Seat iPad (\$22.50)

Distractions for antsy passengers can be hard to come by; snacks can be messy and license plate bingo will only take you so many kilometers, but the <u>Griffin Cinema Seat</u> for the iPad will keep everyone in the back entertained for so long, you'll swear you've time warped.

Dexim RC Truck (\$39.99)

For anyone from kids to grandparents, the <u>Dexim RC Truck</u> (for iPod's, iPhone's, and iPad's) promises hours of RC fun.

XMI X-mini II Capsule Speaker (\$24.99)

The XMI X-mini II Capsule Speaker is a super affordable, portable speaker, with rechargeable batteries, playtime of up to 12 hours, and sound beyond its size.

Novero TheFirstOne Basic Bluetooth Headset (\$39.99)

When on the road with a car full of buddies, drive safely and keep your phone conversations to yourself with the Novero TheFirstOne Basic Bluetooth Headset.

Griffin Window Mount for Smartphones (\$19.99)

Don't get lost! Use the <u>Griffin Window</u> <u>Mount for Smartphones</u> to turn your smartphone into a GPS and mount it to the window for safe driving.

Spruce EcoSmart Backpack (\$59.99)

Keep your tech travel-safe in the Spruce EcoSmart Backpack, made from recycled plastic bottles.

Sony Mobile Bluetooth Speaker (\$99.00)

Once you've reached your destination, keep your playlist going with the <u>Sony Mobile Bluetooth Speaker</u>. This snazzy, compact speaker connects wirelessly to any mobile phone via Bluetooth, which means you can leave your boom box at home and still bring the party with you.

Dexim Twin USB Car Charger (\$11.99)

The <u>Dexim twin USB car charger</u> can not only charge multiple devices from your car at the same time, but it is also compatible with every phone. So bring your friend with an iPhone, your friend with a BlackBerry and even your friend with the Sony XPERIA! They can all stay connected on the road with the very same charger.
