MARRIOTT HOTEL IN TORRANCE UNVEILS STUNNING WEDDING VENUE

On August 16, Torrance Marriott South Bay offers brides and grooms a new place to say "I Do" with a newly redesigned outdoor venue.

Torrance, CA – One of the best South Bay hotels is about to become a favorite destination for [Torrance weddings](#) and social events alike.

The Torrance Marriott South Bay Hotel is set to reveal a premier outdoor venue, the Serenity Gardens. This [Torrance hotel's](#) outdoor space is ideally suited for wedding events, offering a picturesque location for couples to exchange vows and start a new life together.

The beautifully landscaped garden is sure to become a favorite spot for Torrance weddings. The gazebo and a huge, elegantly gnarled coral tree, anchor the space, both standing guard over the grassy lawn. The indigenous landscape, water features and natural stone courtyard surround the gazebo, offering plenty of photo opportunities, or a quiet reprieve between the ceremony and reception. Either way, this unique garden experience is a gathering spot to accommodate up to 300 guests.

Situated directly off the main hotel lobby, Serenity Gardens is the perfect compliment to the Zen Lounge and Elements Ballroom, to continue the festivities. Wedding parties transition to the outdoor Zen Lounge for a pre meal reception only to settle into the Elements Ballroom for a wonderful meal and dancing. Coupled with our professional and experienced staff, we are committed every step of the way.

Wedding parties at this [hotel in Torrance](#) will soon be able to take advantage of the new Serenity Gardens, which is set to be formally unveiled on August 16, 2012.
