Social Flights Announces Flights between Smyrna, TN and Knoxville, TN for the Second Year

Smyrna, TN (August 8, 2012) - Social Flights just announced that it will be partnering up with Corporate Flight Management again this year to offer its scheduled public charter routes between Smyrna, TN and Knoxville, TN starting on Sunday, August 12. The service will run through May of 2013 with round trips on most Fridays and Sundays.

“Since Knoxville was a strong market last year and the response we received from our past fliers was overwhelmingly positive, we decided to keep our rates low this year so more people are able to enjoy the experience.” stated Social Flights COO, Matt Slosky. Social Flights will offer \$35* one-way fares between Smyrna and Knoxville and will have discounted rates for larger groups. Those interested in group rates can contact a Social Flights representative at 615-534-4590.

Allen Howell, CEO of Corporate Flight Management said, “We are proud to serve this initiative, and look forward to helping the community by providing affordable airfare. We have been providing air service out of Smyrna for almost 30 years, and serving our local communities air travel needs is an honor.”
