What We Do

We empower businesses and their employees to easily and instantly reach out to their social networks, and create loyal customers.

How We Do It

JoynIn is a mobile and web-based social commerce platform for local businesses.

- Empowers employees to proactively invite customers from their social network by making tailored offers.
- Rewards employees for the customers they bring, harnessing the value & reach of their social network
- Rewards customers for inviting and creating more customers.
- Rewards businesses with increased customer traffic, more productive employees, higher revenues & greater profits.
