EXPO

## Why Send a Teacher to the Back to School Expo?

When donating a ticket to a randomly selected educator - you are giving the gift of training, inspiration and time!

Teachers can attend when its convenient for them - any day, any time!

Real-life teachers present ideas and techniques that provide excellent training in straight forward ways that they can begin to apply immediately!

All contributors will receive a thank you email from the sponsored educator!

The more you donate, the more teachers that can attend!

Make a contribution and get a FREE ticket for yourself or a friend
