

Elite Security Services to Now Offer 20% Discount to their [California Home Security](#) Customers for their Homeowner's Insurance Policy.

Elite Security Services has just made another significant announcement to strengthen their position in the [California home security](#) industry. They are already one of the leading security service providers in the state and have been offering top quality home protection for a common man's budget since last one year. The new offer from the company offers 20% discount on homeowner's policy for all their customers.

Acclaimed [California home security](#) specialists Elite Security Services has recently started offering 20% discount on homeowner's insurance policy for their customers. This excellent offer is now available throughout the state with all home protection packages from the company. It may be recalled that the company has been serving the homeowners in California with flying colors for almost one year. Elite Security Services is presently considered by the experts to be one of the strongest players in the nationwide home security industry. The introduction of this new offer from them has resulted in immediate response from the home owners in and around California.

The introduction of this package can be a significant step for the company in continuing their dream run in the [California home security](#) industry. Offering additional benefits to customers have now become a trend in this industry, and many security companies offer lucrative benefits for their customers in California. However, the recently launched offer from Elite Security Services can really add value to their customers because homeowner's insurance is mandatory before applying for a mortgage loan. Most homeowners prefer to have this insurance because it provides cover against all types of loss or damage of property.

The introduction of the offer has already started showing its results in terms of business figures for the company. Talking about their latest free benefit for the [California home security](#) customers, the owner of the company Mr. Paul Shakuri stated, " We are happy to see that this offer is helping the house owners in California. We are thankful to this beautiful state for their amazing response, and would always try our best to exceed your expectation". He also added that the company would introduce more similar offers in California within a month or so.

About the Company: Elite Security Services is a rapidly growing company in the home security industry. They offer highly efficient and economical home security solutions in America and Canada.
