QuoteWerks Named a Sage Gold Development Partner of the Year for 2012

ORLANDO, FL (PRWEB) August 13, 2012 — Aspire Technologies, Inc., a Sage North America development partner specializing in developing add-on solutions that extend the functionality and value of QuoteWerks, has been named a Sage Gold Development Partner of the Year for 2012. In its second year, the Sage Development Partner Awards honors development partners who have best demonstrated a solid understanding and strong overall commitment to Sage customers. Sage recognizes QuoteWerks and all development partners for extending the Sage customer experience through well-designed and easy-to-use add-on solutions.

Recognition as a Sage Gold Development Partner of the Year is based on a partner's ability to successfully deliver solutions that best fit customer and market needs; actively assist the Sage channel in closing new Sage solution sales; significantly help Sage with customer retention; and maintain a solid reputation for customer satisfaction.

"We are proud to work with development partners who've been successful at delivering excellent value to Sage customers by understanding their unique needs," said Vasu Desikachary, Sr. Director of Strategic Alliances. "A big thanks and congratulations go to QuoteWerks for their great work in extending and enhancing the functionality of Sage products!"

"The strength of QuoteWerks has always been in our integrations and partnerships," said John C. Lewe IV, President of Aspire Technologies, Inc. "Sage ACT! was the first contact manager that QuoteWerks integrated with and through our 19 year history, Sage ACT! has continued to be one of our top performing integrations. We are honored to accept this award from Sage and the Sage Community."

Winners were presented at the [Sage Summit 2012 Conference](#) on August 13, 2012 at the Gaylord Opryland Resort and Convention Center in Nashville, TN.
