

**step 1** Find a circle object to trace & create your template.

**step 2** Cut 2 cardboard circles with holes in the center.

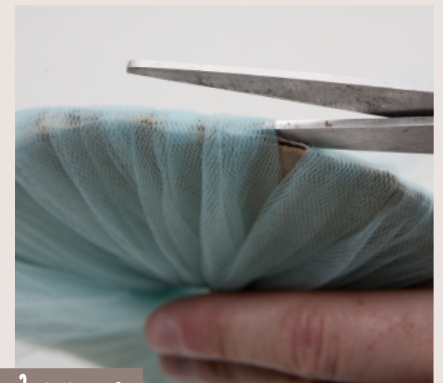

**step 3** Thread one end of your length of tulle through both templates.

**step 4** Keep wrapping until all the tulle is around the templates.

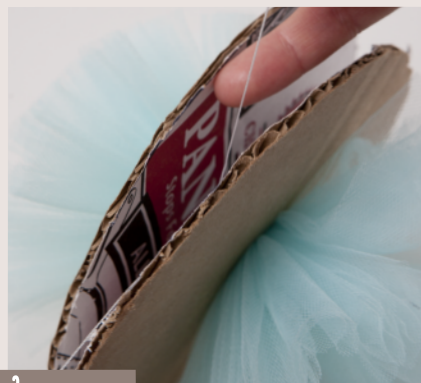

**step 5** Trim the two ends to match the template edge.

**step 6** Cut the tulle at the edge of the templates.

**step 7** Your tulle ball will look like the photo.

**step 8** Separate the templates and tie off in the middle.

**step 9** Fluff and hang to decorate!

## supply list

- tulle in coordinating colors (for a 6" diameter tulle ball, cut 10 arm lengths of tulle)
- cardboard
- scissors
- string

## all done!

Experiment with different sizes to add variety to all your party decorations.
