

## **SAGEMCOM SECURES A 3 STAR PARTNERSHIP WITH THE IAUG**

Sagemcom, the global leader in advanced IP fax server solutions since 2002, today announced that it has secured its position as an International Avaya Users Group (IAUG) 3-Star Partner.

The IAUG partner is the premier resource for communications and technology professionals providing educational and access to Avaya experts and industry leaders. As the number of Avaya users continues to grow, IAUG is well positioned to provide the best resources to these professionals.

As a 3 star partner Sagemcom hopes to help support the Avaya community by offering its partners a leading edge fax software technology that integrates easily into their Avaya VoIP environment. XMediusFAX is fully certified with all major platforms and allows the Avaya partner community to complete their Unified Communications offering with a cost saving boardless fax solution.

Jean Champagne, Sagemcom Canada General Manager stated that. "Sagemcom is excited to become a 3 Star Partner and to be granted the opportunity to have a presence in this community. This is an excellent platform for us to not only interact with our existing resellers and customers but an avenue to show our ongoing commitment to the Avaya technology base."

### **About Sagemcom**

French high-technology group with an international dimension, Sagemcom operates on markets of broadband (digital home, digital set-top box, broadband and residential terminals), telecom and energy (M2M, telecommunications infrastructure, smartgrid and metering), and management of documents (printing terminals, software and solutions, digital production workflow). With a turnover of over 1.4 billion Euros, Sagemcom employs 6 000 people on five continents; already a European leader in most of its key markets, Sagemcom aims to become a world leader in high added value communicating terminals. Sagemcom is strongly committed to sustainable development through the life cycle of its products: eco-design, energy consumption, ethical code of all its suppliers.

Sagemcom is the global leader in advanced fax server solutions for IP networks. Its field-proven XMediusFAX™ leverages IP telephony and Unified Communications (UC) systems to enhance productivity, collaboration, and ROI by integrating fax on the desktop. Deployed worldwide in enterprises and service provider sites since 2002, XMediusFAX is the most mature T.38 Fax over IP (FoIP) software on the market. It delivers scalable, secure and survivable FoIP solutions, empowering businesses to fulfill the compelling promise of UC.
