

Chetek-Weyerhaeuser School District Selects Edvance360 LMS-SN

Chetek-Weyerhaeuser Area School District, located in Chetek, Wisconsin, begins offering online courses and hybrid courses to students via Edvance360 LMS-SN.

(Virginia Beach, VA) Edvance360, a leading provider of eLearning services and software solutions, announced that Chetek-Weyerhaeuser Area School District (CWASD) selected Edvance360 LMS-SN as the vehicle to deliver new online courses and augment traditional K-12 courses with additional learner tools.

“We chose Edvance360 because it had the tools we needed and a proven commitment and passion for education. Our learners will easily be able to use the system to learn more effectively regardless of learning style. The teachers will be able to adapt their traditional classes to a more “flipped” or hybrid approach, without much training or effort. Edvance360 continues to exceed our expectations in all areas. We are looking forward to expanding further in the district with our offerings and as the landscape of K-12 learning changes in the years to come.”
