Dear Jerry

Congratulations on receiving a Do it Best Members' Choice Award at our recent Do it Best October MarketSM!

Enclosed, please find an award certificate for your winning product. We encourage you to use this award in your promotions. You may request an electronic copy of the Members' Choice Award logo, for use on your own promotional materials, through your Merchandise Manager.

We will be promoting all October market award winners at our Do it Best 2012 May MarketSM. A display featuring all award winners will be featured in the New Idea Exhibit. We will also bring another laminated award certificate you can display in your booth for the May market. These certificates will be distributed on Friday at the market.

Please contact Trisha Hinen at 260/748-5958 or email trisha.hinen@doitbest.com; or your Merchandise Manager if you have any questions. Again, congratulations on receiving this recognition. We look forward to seeing you at the market in May.

Sincerely,
