

## **Noted Online Marketing Expert Mike Bashi Introduces New Review Website to Suggest Ways to Choose the Best [Web Hosting](#) Service Provider.**

The task of selecting the most efficient [web hosting](#) service has just been simplified by Hostmonopoly.com, a just launched website from eminent business trainer Mike Bashi. Apart from finding out the best hosting service provider, the business enthusiasts would also be able to avail extraordinary training via this website to manage their website hosting account.

The aspiring online entrepreneurs around the world confused about choosing their [web hosting](#) service can now visit Hostmonopoly.com to find answers to all their questions. This new review website has recently been launched by well known business trainer and internet marketing expert Michael Bashi. All website hosting companies operating around the world have been researched comprehensively by Mr. Bashi and team, and the findings have been revealed in this extremely useful website. Mr. Bashi is a well acclaimed business trainer who has already developed many similar websites for aspiring business owners. Hostmonopoly also offers a free video offering all necessary website hosting guidelines for building a new website.

Unlimited domains, unlimited bandwidth, server reliability, and 4th generation hosting are some of the top criteria to find out the best [web hosting](#) service. However, it can be an uphill task for a beginner to make the right choice because there are an overwhelmingly high number of service providers at present. However, they can now avail all support they need from the free video available in Hostmonopoly. Mr. Bashi has reviewed each service provider by testing of their hosting packages for a minimum period of one month. This involves buying a package from the host, uploading a website, and sending sufficient traffic to a Wordpress blog.

Unlike many other training websites, the video in Hostmonopoly can be accessed without making any purchase whatsoever. All the secrets of creating and managing a [web hosting](#) account can be availed just by providing a valid email address. Mr. Bashi's huge pool of students around the world has thanked their favorite trainer for yet another excellent initiative. Martin from Sydney expressed his high regards for the website saying, "This is an amazing opportunity for someone like me. I have already started working on my website following the techniques shared in Hostmonopoly".

About Hostmonopoly.com: Hostmonopoly.com is a review website launched by noted business consultant Michael Bashi. This website helps entrepreneurs find out the best [web hosting](#) service provider with a comprehensive, free training video.
