## ***Database & Email Marketing with 1AutomationWiz Software Explodes Lifestyle Freedom Club Growth***

Di Lemme Development Group, Inc. this week announced explosive growth in their business this year in an interview this week with email marketing service provider and ecommerce automation company 1AutomationWiz.com.

“Much of our growth is a result of our ability to easily broadcast email messages to our customers, have instant access to all company data and segment clients into different mailing lists and autoresponders,” said John Di Lemme, founder, president and CEO of the Di Lemme Development Group, Inc., online at [www.LifestyleFreedomClub.com](http://www.LifestyleFreedomClub.com).

John Di Lemme is an international motivational speaker, strategic business coach and accomplished author who changes lives worldwide through personal development.

Di Lemme's company produces and markets personal development products and services. The companies most recent and popular product lines include books, CDs, DVDs, audio/video materials, seminars, intensive training boot camps, weekly tele-classes, Closing & Marketing University, and Lifestyle Freedom Club memberships.

Diagnosed as a stutterer at a very young age and told that he would never speak fluently, Di Lemme conquered his stuttering and now helps others in need of personal development, helping them reach their full potential in life as he did with total immersion in a motivation environment.

As an prolific author of over four hundred fifty products including authoring eleven books; his latest best-selling book, “[7 Principles to Live a Champion Life](#).”

Also featured on dozens of different television programs and interviewed countless times, Di Lemme is a multi-million dollar entrepreneur, and of the most highly sought after strategic business coaches in the world.

Over the past eighteen years, John Di Lemme shared the stage with the best of the best including Dr. John Maxwell, Rich Devos, Dennis Waitley, Jim Rohn, Les Brown, and was featured on Zig Ziglar’s webcast and other television shows.
