The services Easy Green Deal provide may not include the Green Deal Certification body charges or relevant membership fees. Use of the services provided by Easy Green Deal do not guarantee certification by any certification body, as it is the responsibility of the applicant to demonstrate that the management system is correctly implemented, understood, maintained and all relevant Green Deal standards adhered to. The Green Deal Accreditation support service is only available up to the point of achieving Green Deal Approval and for 12 months after this. After this our ongoing Green Deal Support package can be purchased.
