

Struggling To Repay Your Student Loans?

Contact DMCC today for a **FREE** loan repayment quote

Find out what your options are for relief and how DMCC can help!

If you are struggling to repay your student loan debt, there may be options available that can provide you the relief you need.

Your options may include:

- **Deferment or Forbearance**
- **Loan Consolidation**
- **Income Based or Contingent Repayment Plan**
- **Settlement, Discharge or *Forgiveness**

*Special federal loan forgiveness program available for teachers, public service workers, and military personnel.

A DMCC counselor will evaluate your outstanding student loans to determine your available options and provide you a recommended course of action.

You may choose to implement the required action yourself or retain DMCC to assist you.
