

Rendezvous Royale is a western arts celebration devoted to the most prestigious events of the year in Cody, Wyoming. The fourth week of each September, it consists of a nationally-recognized art show, a spirited auction of the best contemporary western art, a cutting-edge western fashion show, a captivating quick draw, an exhibition of works by the best western furniture artisans and craftsmen, educational seminars, studio tours, and an elegant ball as the grand finale. That's just a taste of what this amazing week has to offer. The celebration has blossomed over the years into a community-wide festival, and our schedule is packed with art events all week long. For more information, contact the individuals below:
