

Volvo is the founding sponsor of Alex's Lemonade Stand, an organization that raises money for pediatric cancer research. Even as she was losing her own battle against cancer, a brave little girl named Alex wanted to do something to help other kids win theirs. Thanks to her, we're closer to a cure. And with your help, one day we'll put her lemonade stand out of business once and for all. Until that time, learn how you can help at AlexsLemonade.org.
