# Celebrate Recovery Month!

The Meadows is celebrating National Recovery Month by offering a special discounted rate during the month of September. The first 15 inpatient admitters will receive an all-inclusive treatment cost of \$36,000 for the five-week program! To receive this special offer treatment must be initiated on or after September 1, 2012 and the patient must be admitted for inpatient treatment by September 30, 2012.

The Meadows supports the Substance Abuse and Mental Health Services Administration (SAMSHA), in their effort to celebrate the effectiveness of treatment and recovery services through National Recovery Month. Recovery Month promotes the critical message that prevention works, treatment is effective, and people recover.

Call us today and regain a sense of hope and meaning in your life.

*Hurry! Call one of our Intake Coordinators today to take advantage of this limited opportunity!*
