

Clearjacket

Protective Bubble Bags

Product Description

Cut down on unnecessary loose fill packaging with easy-to-use **Clearjacket** protective bubble bags. Slip your product inside, peel and seal the release liner, slide it in a bubble mailer or box and you're good to go. It takes up less space than loose fill, is lightweight and moisture resistant.

Clearjackets are made of an ultra-strong, multi-layer polyethylene bubble film for superior protection. It's reusable and 100% recyclable. The smooth interior makes inserting and removing product easy while the strong bubble exterior gives your product the extra protection it needs during transit. Clearjackets are available in standard or custom sizes.

Clear Solutions
for your **Packaging**
Needs!

Clearjacket

Protective Bubble Bags

www.pac.com

Closure System

Reliable pressure sensitive (self-seal) adhesive closure. Easy to load contents and seal package when the packing process needs to be fast and efficient.

Material

Made of multi-layer polyethylene bubble film with the bubble on the outside of the bag and smooth film on the inside. The smooth interior makes inserting and removing product easy while the strong bubble exterior gives your product the extra protection it needs during transit.

Construction

Sideweld heat seals and bottom fold construction offers superior bursting strength. Your contents will remain secure from the point of origin to its destination.

Stock Products Program

The Clearjacket is currently available in 8 industry standard sizes. Offers low minimum quantities and immediate shipment. Save money by ordering only what you need.

Custom Capabilities

Can't find the size you need? No problem! The Clearjacket can be custom made to fit your product and your requirements.

LDPE

Clearjacket is 100% recyclable.
