# Evention SecureDrop Eliminates Manual Cash Management!

**Save your accounting department over 40 hours per month**

**Evention SecureDrop™** automates the management of cashier drops, duebacks, banks, over/short tracking, and the audit against the POS & PMS with its unique web-based software.

**Is your cash management still a manual process?**
What else could your accounting staff being doing if your daily cash journal was automated? Evention has completely revolutionized cash management. Eliminate your spreadsheets and take control with automation, tracking, and instantaneous cash reporting.

**Electronic drops or cash machine** → **Import POS and PMS data to automate audit** → **Instant over/short reports & cash journal** → **Upload to general ledger** → **Workflow messaging for cash violations & bank audits**
