

## Internationally Popular Internet Radio and TV Shows Go Global with 1AutomationWiz Online Shopping Cart Software

*Advertising and Marketing Guru, Simon Jordan shows business owners how to leverage social media and automate their online marketing with 1AutomationWiz.com*

East Sussex, UK September 07, 2012

-Social media and marketing expert, Simon Jordan is on a mission to help small business owners learn how to promote and market their goods and services online via social media and solid, proven marketing techniques.

Today with the help of the [all in one shopping cart and ecommerce automation software, 1AutomationWiz.com](#) Jordan reaches out to businesses of all sizes and worldwide audiences quickly, easily and inexpensively.

*"1AutomationWhiz has been instrumental in helping me grow my list and process online sales. I wouldn't be (here) without them," explained Jordan. "Ease of use for everything (is my favorite feature) to be honest: uploading images, setting up products, shopping carts and selling online."*

In addition to his "Business Growth Coaching" services, Jordan's' company, [GatherMoreClients.com](#) provides businesses other consulting services, as well as website and personal branding strategies. He also offers a complete range of custom marketing packages; including email marketing and full online marketing campaigns.

His company also recently release a "The Marketing Superstar Monthly Marketing Mastermind Group" and "The Marketing Superstar 12 Week Profit Builder Course."

Visitors to his site can download a report titled, ["#1 Secret To Growing Your Business for free."](#)

With plans to become an internationally recognized brand, Jordan continues to build that brand via his online Radio and TV shows. Join him online [SimonJordan.TV](#) and [SimonJordanRadioShow.com](#).

Simon Jordan is an international speaker, International Amazon 5 star rated author of "*How to Sky Rocket Your Business (without burning your fingers)*." He lives in the heart of East Sussex in the UK.
