

USO Tampa Bay, Inc.

- USO Tampa Bay opened September 6th, 2012 to hundreds of service men and women, military families, USO volunteers and community supporters.
- The center is located at Tampa International Airport in the main terminal, third floor between Airsides A and C.
- USO Tampa is approximately 1,130 square feet and was constructed as part of Tampa International Airport's \$30 million main terminal modernization project.
- Population Served: Tampa Bay, Inc. will serve the more than 300,000 active duty military and their families that travel through Tampa International Airport every year as well as the military and families stationed at MacDill Air Force Base. In addition the Center will conduct outreach and support to the following counties: Pinellas, Hillsborough, Polk, Pasco, Sarasota, Manatee and Hernando.
- USO Tampa Bay will provide signature USO programs and services to troops and their families such as Internet connectivity, laptops, television, telephones, snacks and beverages, as well as gaming stations, ping pong and pool table. The new center will also offer United Through Reading's Military Program, allowing service men and women to record themselves reading a story to their children or other family members.
