

Discover Your Optimal Network

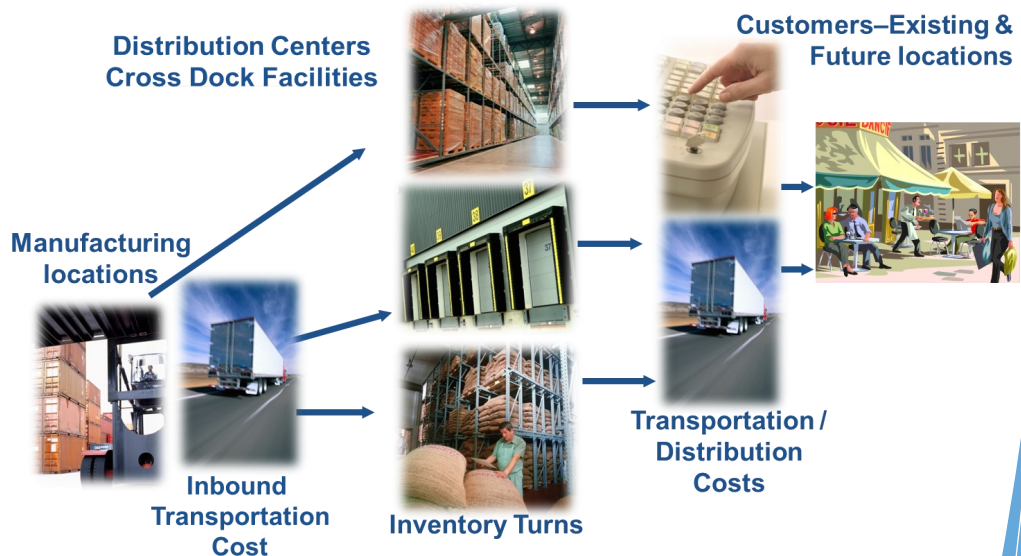

Network Optimization

- *Multi-phase project*
- *Define strategic goals*
- *Build current state model*
- *Develop a strategic network model*
- *Execute multiple strategic scenarios*

Benefits

- *Eliminate subjectivity*
- *Provide scientific analysis*
- *Balance entire supply chain*
- *Reduce transportation and distribution costs*
- *Analyze synergies from mergers*
- *Quick response to RFP's*
