

## **Distinguished Online Marketing Expert's New Website Introduces New Approach to [Web Hosting Reviews](#)**

Revered business coach and internet marketing veteran Mike Bashi is all set to revolutionize the idea of [web hosting reviews](#). His new website Hostmonopoly.com has taken the industry by storm with a new way of reviewing all website hosting companies in the present market. Apart from being a comprehensive review platform, the website also serves as an excellent resource for web hosting training.

Millions of online business owners around the world looking for reliable [web hosting reviews](#) have recently witnessed a paradigm shift in the style of reviewing website hosting companies. Michael Bashi, a well known internet marketing guru and mentor, have recently launched a website that has taken online reviews to a new level altogether. The website Hostmonopoly.com has been created by Mr. Bashi after a thorough research on all website hosting companies in the market. However, the beauty of the website lies in the fact that the creator of the website has actually used web hosting services from all these companies before building the website.

The [web hosting reviews](#) available in Hostmonopoly.com is the result of extensive testing of the features and performance of all web hosting companies. After analyzing their performance, Mr. Bashi has been able to find out one company that stands out from the rest. The name of this company has been revealed in a wonderful video guide that can be accessed now by visiting Hostmonopoly.com. This video can also be used to learn the techniques to efficiently built and manage a business website. Unlike most of the popular online programs, Hostmonopoly is absolutely free to join. Anyone can access the video by just providing a valid email address.

Michael Bashi's name needs no introduction in the online business community. He is presently considered to be one of the most proficient business trainers with a series of extremely popular online training programs. Like all other programs from him, Hostmonopoly.com is also quickly gaining popularity amongst people looking for trustworthy [web hosting reviews](#) online. Brandon, a seasoned website builder from Sydney, strongly recommends this website as one of the best online review platforms ever created. He says, "I take this opportunity to thank and congratulate Mike for creating such an amazing website. There are very few review websites that provide this kind of information with 100% authenticity".

About Hostmonopoly.com: Hostmonopoly.com is a review website launched by noted business consultant Michael Bashi. This website helps entrepreneurs find out the best web hosting service provider with a comprehensive, free training video.
