

# Jumpstart YOUR Web Presence By Appearing on "THE PULSE"

Custom Videos Created Exclusively for your  
Website and Social Media Pages

*"Professional quality video on a website raises the visibility of a web page on search engine results. Videos increase visitor traffic to websites and social media pages, keeps viewers longer, and results in greater consumer sales on retail websites."*

- Google

## thePulsemedia

Network-quality videos present you and  
your business as leaders in your field

Promote your message easily and effectively with a customized video featuring you and your business, product or service. Easily link your videotaped interview to your website and social media outlets and it becomes a powerful promotional tool that can be seen and shared instantly by clients and audiences worldwide.

THE PULSE MEDIA's EMMY Award winning team works closely with you to effectively formulate and promote your message while connecting with your target audience. No previous experience is necessary - our production process is friendly and simple, and brings your message to life!

### Personalized Segments Perfect for:

<b>Individuals</b>	Promote your talent, message or service
<b>Businesses</b>	Demonstrate products, discuss services and advertise upcoming events
<b>Non-Profits</b>	Increase awareness about your organization and fundraise
<b>Public Agencies</b>	Promote safety, recruit and raise public awareness
<b>Get Creative!</b>	Customize your message to reach any desired audience
