

# Top 10 Reasons to put a "Donkey" on Your Team.

Here are some of the creative ways customers use their Donkeys. So versatile, Donkeys can be used for more than one of your teams. They move easily from field to field and come in 4 different sizes. Customizable options for all your needs!

### Weather Protection

Against sun, wind, rain, anything

### Storage

Have it handy on the field

### Concession

Food & drinks right there

### Penalty Bench

One less bench to drag out - have it built right in

### Coaching / Viewing Practice

See the whole field, instruct easily

### Ultimate Media Package Shown

(DONKEY-2 with Attached Bird's Nest Video Tower)

### VIP Seating

Special seating for special people

### Scoring / Broadcasting

Call the action, live the drama

### Video / Media

Capture all the angles, every play

### Ticketing

Sell, dispense tickets on site

### Customization

Lots of options, make it your own
