

STABLE HOMES ARE HAPPY HOMES.

When you work with Certified Foundations, Inc., you know that you're not only getting expert foundation stabilization repair, but protection to boot. Why? Because CFI has partnered with the nation's leading home warranty company, 2-10 Home Buyers Warranty, to offer every repair the protection of an insurance-backed structural home warranty.

- ▶ 10 years of foundation stabilization coverage
- ▶ Transferable in the event you sell your home
- ▶ Top-rated customer service from 2-10 HBW

One of Florida's top foundation contractors

A highly experienced foundation and sinkhole repair company, CFI has been earning positive feedback from insurance companies, engineers and satisfied homeowners since 1989.

The nation's leading structural warranty company

2-10 HBW has been in the home warranty business for more than 32 years, providing a warranty for over 5.5 million American homes—both new and existing.

Get back to the joys of home ownership. With CFI and 2-10 Home Buyers Warranty, you're confident that your home is both stable and protected.
