

## **Web Hosting Guide from Top Rated Business Coach Rapidly Gains Popularity Amongst Online Business Owners.**

Mike Bashi, the well known online marketing guru and business trainer, is again in the center stage of online business community with new [web hosting](#) guide. His new website Hostmonopoly.com has recently been released to provide all necessary business support to business owners looking to build their business owners. The visitors to this website can find out the name of the most recommended website host from this website.

Hostmonopoly.com, the new training website launched by acclaimed internet marketing expert Mike Bashi is quickly emerging as the most trusted online training resource for [web hosting](#). The website has all required guidelines to choose a website host amongst hundreds of service providers in the market. As a review and training website, Hostmonopoly.com has done well to stand apart from thousands of similar websites that are created by the self proclaimed experts. Mr. Bashi and his team have reviewed all website hosting companies in the present market by using all of them for a minimum period of one month. All the findings of his review can be accessed in a free video available at Hostmonopoly.com.

Finding the best [web hosting](#) company is a top priority for online business owners because quality of hosting service has a lot to do with building and maintaining a good credibility online. However, like many beginners, Mike Bashi himself had a tough time finding the website hosting service that provides all essential features. According to him, the top parameters to check before using any service are server reliability, unlimited domain, unlimited bandwidth, availability of 24x7 technical support, and 4th generation hosting. After continuous trial and error for many years, in the year 2006, Mr. Bashi found the company that provides all these features within an affordable price.

Every business owner suffering from this problem can now find out the name of this company for free by visiting Hostmonopoly.com. Apart from revealing the name of the best [web hosting](#) service provider, the website also offers excellent guidelines for proper maintenance of a hosting account. Within a very short time, thousands of people have signed up for the free video just by providing a valid email address. Thanking Mr. Bashi for this new website, Melinda from Brisbane said, "Hostmonopoly.com has solved all my website hosting problems. This free platform is tailor made for business owners who are clueless about choosing a hosting service. Thanks a lot, Mike".
