The idea of [web hosting reviews](#) has recently been redefined by distinguished online business expert and trainer Mike Bashi. Hostmonopoly.com, the new website from the Ontario based internet marketing genius, is quickly gaining popularity as the most trustworthy online platform to know unknown facts about hosting companies.

The new style of presenting [web hosting reviews](#), introduced by Mike Bashi, is creating waves in the internet based business fraternity. The noted internet marketing consultant and mentor has recently introduced his new website Hostmonopoly.com. This website is a unique online platform serving both as a review and training resource for the new business owners. In this website, Mr. Bashi has shared his own experience of dealing with different hosting service providers as a newbie. It must be mentioned here that Mr. Bashi is highly regarded in the business fraternity for his high level of knowledge and expertise in all facets of online marketing.

The credibility of online [web hosting reviews](#) has been a big concern for business owners looking for a solution to their hosting related problems. Many review websites offer opinions and comments from users that are fabricated. Mr. Bashi's website Hostmonopoly.com is the result of his own extensive research on each of the hosting services in the market. In this website, he has decided to empower the visitors with all necessary information to make the right choice. It also reveals the name of the company that has been Mr. Bashi's number one choice since last six years, as far as web hosting is concerned.

All these useful information is now available at Hostmonopoly.com in the form of a detailed video presentation. Most importantly, this video is available to all visitors absolutely free of charge. This new way of presenting [web hosting reviews](#) is rapidly gaining popularity amongst website owners all over the world. Official sources have revealed that thousands of people across the world have already signed up to receive the free video by providing their valid email address. Talking about his new website, Mr. Bashi says, "This website is unique because I have used all hosting services before creating this one. I really hope that it helps people who are still struggling to find the best host in the market".
