# Primary Learning

Built for a younger audience and packed with built-in applications, content and resources. Intuitive touch-based interface for ages 5 to 12.

Equipped with over 1200+ built-in 'apps' and the ability to extend further using the "Content Library". Access a range of free and paid 3rd party content instantly!

# Secondary Learning

A scalable, robust and adaptable whole-school learning platform that provides CMS, LMS, VLE and collaborative resources within a single unified package.

Whatever you're teaching (or learning) - My Learning Plan delivers a truly unified learning environment that is built to produce effortless dynamic content quickly and easily.

# Mobile Learning

Access your learning environment from any web-enabled device. Stay in touch with your colleagues, access your files and engage with an evolving world that allows you to learn wherever you are. *My Learning Mobile* is provided **FREELY** with all our products.

"Recently saw a demo of My Learning and was very, very impressed (not something I often say about a VLE)"  
*Ollie Bray - LTS Adviser*

"The children loved the interface of the VLE. The level of service was unparalleled by all other providers. The service we have received since has been fantastic"  
*Australian International School - Vietnam*
