Pareto Law is proud to host the Supercar Paddock at the 2012 Wilmslow Motor Show

THE SHOW

On Saturday 22nd September Wilmslow town centre will be transformed into a showcase for some of the world's sexiest and most luxurious cars. Different dealerships will be exhibiting their cars down the middle of pedestrianised Grove Street, giving spectators the opportunity to get up close and personal with some of the world's sleekest shapes on 4 wheels.

THE PARETO PADDOCK

PARETO LAW will be partnering HR Owen Lamborghini to play host for the day to a collection of 20 supercars, courtesy of their owners, as part of the Manchester Lamborghini supercar club. The exclusive Pareto Paddock will offer a fantastic selection of exotic vehicles including the Porsche 911, a number of Ferraris, a BMW M3 CSL and a collection of Lamborghinis, getting you closer than ever before to some of the most exciting machines on the planet. For Pareto clients, we will also be offering exclusive refreshments as they enjoy the experience.

It's an event that can not be missed!

THE SHOW runs from 10am – 4pm, sponsored by Natural Retreats and supported by Etihad Airways.
