

Are You Ready For Global Thermonuclear War and Chaos (WWIII)???!

"Son of man, when a land **sins against Me by persistent unfaithfulness**, I will stretch out My hand against it; I will **cut off its supply of bread, send famine on it, and cut off man and beast from it.**

Even if these three men, Noah, Daniel, and Job, were in it, **they would deliver only themselves by their righteousness,**" says the Lord God." *Ezekiel 14:13-14*

While the majority of the people in this world are busying themselves with:

- Catching up on the latest reality TV shows
- Following the gossips of the most popular celebrity stars
- Storing up riches and luxuries for the anticipated years to come...

VERY FEW people are aware of the fact that the world is on the brink of a global thermonuclear war that could be the next WWIII.

We see:

- Tensions in the Middle East with the Western World
- Iran repeatedly threatening to "wipe Israel off the map"
- Prime Minister Benjamin Netanyahu continuously warning of a possible pre-emptive strike on Iran before they complete their nuclear program
- Russia declaring a stand in opposition to those who come against Iran
- Different nations positioning their military assets converging on the Strait of Hormuz in anticipation for "something"
- and the list goes on.

To those who believe in God and the bible, it will not be a surprise to them because Jesus had given warning about these very things in the book of Matthew chapter 24 in the bible.

Considering the events unfolding in our world today, it would be wise to consider these words of wisdom from the son of the living God, Jesus Christ:

"But take heed to yourselves, lest your hearts be weighed down with carousing, drunkenness, and cares of this life, and that Day come on you unexpectedly.

For it will come as a snare on all those who dwell on the face of the whole earth.

Watch therefore, and pray always that you may be counted worthy to escape all these things that will come to pass, and to stand before the Son of Man."

Luke 21:34-36

Here's a question for you:

IF indeed WWIII breaks out TODAY and your city is the target of a nuclear missile which is two minutes from detonation, what would all your possessions, fame and status mean to you?

What will you do with that remaining two minutes of your life?

Will you enter into eternity in condemnation with your sins or will your sins be forgiven because you have chosen to turn away from your sinful lifestyle, and call upon the name of Jesus Christ to forgive you and give you a new start?

Please think about this seriously.

There is NOTHING more important than your eternal destination and salvation.
