

from the ground up

A&I Solutions is a consulting services and software reseller enterprise that was founded over 10 years ago in 1999. We focus primarily on products by CA Technologies serving Fortune 1000 companies. Our mission is to provide **quality** sales and service through excellent people at a fair value.

A&I Solutions has been a services partner of CA Technologies since 2004. With the support of our partnership, we have become a **leading** provider of Enterprise Solutions.

Reliable Solutions for Your IT Needs

A&I Solutions provides **dependable** products and services to help companies achieve the highest level of performance. We maintain a strong reputation by focusing on the best rated products and extensive experience to deliver comprehensive integrated Enterprise Solutions.

Working with **CA products**, A&I helps organizations achieve their full potential by driving consistency and maximizing efficiency.

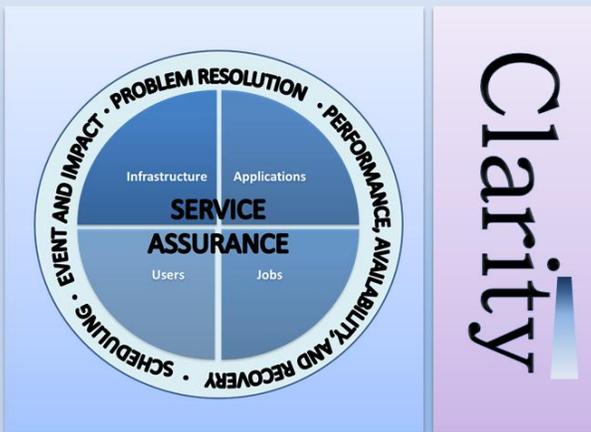

We focus on a couple **core areas** as it relates to the work that we do with CA:

Application Performance: CEM, ehealth Spectrum, NetQoS, and SOI

Enterprise Applications: Clarity PPM, Clarity Grants Management and overall application integration

CA Security Suite: SiteMinder, IdentityMinder, Federation, Access Control and SOA

Other: Nimsfot Unified Manager, Infrastructure Management

Clarity
