

# SnuggleWings

**Works with your existing swaddle blanket to prevent Babies from working arms free and startling awake**

**Testimonials from Mom's Best Award testers:**

*"I don't know if my son doesn't like feeling restricted, but he rarely keeps his arms inside the blanket, but he was calmer and slept better with SnuggleWings."*

*"Since I brought my baby home from the hospital I've never been able to swaddle as well as the nurses there, and my daughter's arms come loose easily. This really helps keep the blanket secure and snug around her."*

**Created by parents frustrated by their Baby's ability to break free from her swaddles.**
