

AgendaNotes iPad

PORTABLE. PERSONAL. GREEN.

All those bulky binders overflowing with huge agendas and hand-strewn notes can be tossed into the shredder once and for all. With **AgendaNotes iPad** you can take all your meeting agendas with you and mark them up on your iPad wherever you are.

OVERVIEW AND BENEFITS

Easy to use and seamlessly integrated with the **iCompass Meeting Management Solution**, **AgendaNotes iPad** will save your organization thousands of dollars in printing, copying and preparing meeting materials. Elected officials will love logging in and instantly having access to the meeting agendas they take part in. Having notes and annotations right on the applicable documents keeps everyone engaged and on the same page during the meeting.

FEATURES YOU'LL LOVE
