Stephanie L. Howitt, Founder of SLH Lifestyle + Concierge is being honored as a 2012 NAPW Professional Woman of the Year by National Association of Professional Women, a prestigious distinction awarded by the 400,000-strong membership of NAPW who join together to develop innovative business and social relationships.

Stephanie L. Howitt is an extraordinarily talented and gifted entrepreneur. She holds a business degree from Syracuse University's Whitman School of Management, achieved early success as a fashion model, and transformed her design talents into a remarkably successful lifestyle consulting and design service.

Ms. Howitt's years of experience in the competitive world of fashion have given her an expert understanding of how to make the lives of her clients run more efficiently as they pursue their professional ambitions. SLH Lifestyle + Concierge enjoys significant prominence as a leader in this specialized field of lifestyle management which provide services for interior and event design, image and style consulting, and private concierge services. Ms. Howitt's competitive edge lies in her immediate responsiveness to her client's needs, her personal commitment to excellence, her celebrated reputation for unparalleled organizational skills and her discerning eye for detail in everything pertaining to beauty and design. A certified image, style and hospitality professional, she is an industry member of the Association of Image Consultants International (AICI), the Fashion Group International, Inc. (FGI) and The International Lifestyle Management Association (ICLMA).

As a seasoned expert in lifestyle consulting Ms. Howitt is the embodiment of the consummate professional whose mission is to provide the individual with the power to live a radiant life by cultivating their strengths to unleash their personal and professional potential. Ms. Howitt is the creative director behind the SLH Lifestyle Company Blog. Her immediate goal is to continue growing her business and lifestyle blog while focusing on her future plans to create a line of organizational home accessories.
