

Consulate General of the Democratic Socialist  
Republic of Sri Lanka - Los Angeles

September 28, 2012

**To whom it may concern,**

DeLon Jayaingha, a patriot of Sri Lanka, is a Sri Lankan artist to support the War Against Terrorism in our country. Of his own volition, using the power of music and the internet, he exposed the horror of the terrorist attacks inflicted on our people to the global community.

As Consul General of Sri Lanka, I am compelled to assure you that DeLon Jayasingha is an artist of peace whose music and support of the people of Sri Lanka continues to unify Sri Lankans and expatriates around the world.

Please be advised that any allegations of crimes or wrong doing are falsehoods, rumors and tactics being used to vilify his character and sabotage his endeavors for peace. We have explored all allegations and have found them to be blatantly false claims.

Our people and our government are proud of DeLon Jayaingha and his representation of our country. His music, his assistance and support of Sri Lanka since the war and recent Tsunami are instrumental in bringing global attention to our county and our efforts to rebuild and re-establish democracy.

On behalf of the Sri Lankan government and the people of Sri Lanka, I wish DeLon all the best as an artist and in his future endeavors. We know that he will continue to bring pride and recognition to Sri Lanka.

Cordially,
