

Trust the Midas Touch.®

Count on Midas to help steer you toward safer driving. We follow the vehicle manufacturer's maintenance recommendations. You should also ask your local Midas for a courtesy check of your car's major systems and components.

Midasize[®] your car... and help keep your precious cargo safely on the road.

Services

With over 50 years of experience, you can count on Midas to help keep your car safely on the road. While it's true today's cars are more complex than ever, Midas service technicians have the expertise your vehicle demands.

You can rely on us for preventive vehicle maintenance, exhaust and suspension services, climate control repair, oil and filter changes, tires, alignments, engine tune-ups – you name it, we can handle it. Most importantly, you count on us for superior brake service.

Did you know our brake pads and shoes come with a lifetime guarantee*, which means that once you've purchased them, you will never need to pay for replacements again for as long as you keep your car. Plus, we provide brake service all across North America. So no matter where you find yourself, from Vancouver to Miami to Los Angeles to Toronto to New York, you'll never be far from a Midas shop.

*See manager for limited guarantee terms.
