## You can change your Medicare coverage from October 15 through December 7

This is a great opportunity to make sure your Medicare plan is providing the best coverage for your needs at a cost you can afford. It's very important to make the right decision about your healthcare coverage each year since your coverage—and your health—can change.

### New for Medicare 2013

The following may be important to your Medicare decisions for 2013.

- Medicare recipients reaching the prescription drug donut hole will benefit from increased coverage in 2013.
- Prescription drug (Part D) plan costs will remain about the same as last year, but deductibles, cost-sharing and drug provisions may change.
- Some Medicare Advantage plans will see changes with costs, coverage or other provisions.
- Medicare Part B (medical insurance) costs may change.

Since there are numerous Medicare plan options and coverage choices, *Allsup Medicare Advisor* can help you avoid the confusion of not knowing which plan works best for you or of making a costly mistake by paying for premiums and coverage you don't need.

## Here are some helpful hints about the Medicare options that are available to you:
