RECONNECTING FAMILIES

## HELP THROUGH THE HOLIDAYS

The Meadows understands that the holidays can be a stressful time for families; especially, if a loved one is in treatment. An integral part of the recovery process at The Meadows is Family Week. We don't want any of our families to forego this significant week due to additional financial obligations; therefore, we're offering a limited time discount so families can take advantage of Family Week.

## FAMILY WEEK SPECIAL OFFER

Now through December 31, 2012, The Meadows is offering a discount to cover travel and lodging costs for two people to attend Family Week. We will also cover the patient's round trip travel costs to attend The Meadows' inpatient treatment.

- Total value of this offer is \$4,000!
- Offer is good for any admission from a new inquiry generated from October 3, 2012, or after.
- Discount will be deducted from the price of the patient's all-inclusive, inpatient stay.

*The Meadows hopes that this special Family Week offer will make the difficult decision of seeking help a little easier for families during this holiday season.*

Call today to take advantage of this limited time opportunity!
