

## Be Prepared for Change. Get INTEGRATED now.

Healthcare is changing, but INTEGRATED Healthcare Strategies is ready to guide you. We offer a wide range of comprehensive solutions—across compensation, governance, physician services, employee & physician engagement, labor, and executive placement—to help you align people, pay, and performance. And we have the unique ability to integrate multiple solutions to maximize efficiency and impact.

In fact, for more than 30 years, INTEGRATED Healthcare Strategies has provided consultative services to clients spanning the spectrum of healthcare, including community

hospitals, academic medical centers, health networks, clinics, and assisted-care providers.

Today, INTEGRATED is a leading human capital specialist, providing healthcare-specific consulting services to a “who’s who” of organizations, including more than 1,200 healthcare providers, 1,800 hospitals, and 700 independent and affiliated medical groups.

### KNOWLEDGE

# ONE SOURCE FOR A SPECTRUM OF SERVICES

With an exclusive focus on healthcare and unique experiences across a wide range of healthcare human-capital issues, we have developed focused services that are not only proven and effective, but distinctively INTEGRATED.

Our dedicated consultants and nationally recognized thought-leadership help organizations achieve their business goals, attracting and retaining the best talent, while measuring and maximizing performance. With customized solutions that extend well beyond single services, INTEGRATED offers the knowledge, guidance, insight, and alignment needed for organizations to not only survive the changing healthcare environment, but to succeed in it.
