NEW LUXURY HOTEL IN PERU OFFERS GUESTS OPPORTUNITY TO DISCOVER CUSCO

JW Marriott Hotel Cusco's Package deal includes deluxe accommodations for two, daily breakfast buffets and free tour of city

Cusco, Peru – Officials of the [JW Marriott Hotel Cusco](#) have 11,154 reasons to stand tall and walk proudly as their new resort – touted as the company's highest altitude property and constructed on a site where ancient Inca artifacts were uncovered – makes its international debut.

Guests of the luxury hotel in Cusco won't have to dig deep into their pocketbooks to get a taste of the facility's elegance when they take advantage of the Discover Cusco Package. The deal includes deluxe accommodations for two, daily breakfast buffets at Pirqa Restaurant and traditional Coca Tea upon arrival. Travelers also receive a half-day Cusco City Tour with a map that may include stops at the Colonial Cathedral, which contains more than 400 paintings from the Cusquena School; Temple of the Sun, the main religious center of the Incas; and the ruins of Sacsayhuaman, Q'enqo and Tambomachay. Visitors also can [visit Machu Picchu](#), hike the Inca Trail or shop at the Mercado Central de San Pedro.

Vacationers at the Cusco hotel who are looking for a little rest and relaxation can experience the rejuvenating benefits of [ancient Inca techniques](#) at the onsite Health Club Spa. The modern-day center pampers all of its guests with services and treatments ranging from massages and facials to body treatments, manicures and pedicures. A steam room and refreshing plunge pool are also available.

No matter what adventures guests choose to experience the culture and traditions of Cusco, they will always return to one of the most opulent hotels in Peru to relax in style in one of 147 rooms with one king or two double beds. Posh quarters feature more than 300 square feet of luxury with premium bedding, rich cotton linens, down comforters and custom duvets. Well-appointed rooms also include in-room safes, mini-refrigerators, separate tubs and showers in bathrooms and a supplementary oxygen-enriched system to help guests acclimate to the hotel's high altitude.

High-end coffee machines, 42-inch LCD TVs, iPod docking stations, 24-hour room service, Aromatherapy Associates bathroom amenities and nightly turndown service are among other prestigious amenities guests can expect when staying at the JW Marriott Hotel Cusco.

The Cusco hotel deal's \$360 to \$445 per night price is valid Friday, Saturday and Sunday through Dec. 31 with some blackout dates. Tour arrangements must be made at the hotel's concierge desk. To enjoy the [Discover Cusco Package](#), guests should book accommodations online using promotional code ARN or call 800-228-9290.

About the JW Marriott Hotel Cusco

The all new JW Marriott Hotel Cusco sits in the heart of the historical district and was custom designed around a colonial church to blend a modern, contemporary feel with the city's storied past. The Cusco hotel is situated at the gateway of the Andes mountain sanctuary Machu Picchu and features 153 well-appointed rooms and suites, 1,442 square feet of flexible meeting space, two restaurants, retail stores, a 3,300 square foot spa with a dry sauna, steam room and relaxation pool. The hotel also features archeological exhibits with Inca artifacts uncovered during excavation work. For information, visit www.jwmarriottcusco.com.
