

YOUR HEALTH IMPROVEMENT COMPANY

Founded in 1991, Preventure is a global provider of health management solutions specializing in comprehensive fitness and wellness benefits. We deliver highly effective Corporate Fitness & Wellness programs to over 3.6 million employees nationwide.

We implement a strategic approach to solving the challenges affecting our client's bottom line.

DEPENDABLE SERVICE = Easy for You

Preventure is with you every step of the way. We work with corporations like yours across the globe. Industries served include: finance, pharmaceutical, food & beverage, retail, manufacturing, transportation, healthcare, and more. We have a reputation for honest and reliable service. We ALWAYS answer the phone.

TAILORED APP = More Engagement

Using a consultative approach and flexible solutions, Preventure deploys programs unique to each client. Our expert recommendations are geared to your company culture and employee population. Our strategy is successful at maintaining the health of low risk participants and empowering at-risk individuals to achieve long term behavior change, moving them toward lower risk.

DOCUMENTED ROI = You're a hero!

Preventure's programs are designed to improve the health and productivity of employees while proactively controlling related costs. Our clients consistently see measureable improvements in employee health, all while creating an engaging workplace culture.
