Regal Velvet is CTN's brand new, top of the range, luxury velour carpet. Available exclusively from CTN and One Up the velour carpet range contains 21 exciting colour shades. Available in 4m widths (2m by special request) and with action back this velour carpet is easy to lay and looks wonderfully luxurious.

For use as event flooring or exhibition flooring, if you cannot see the colour for you in our extensive range then CTN can offer a special dye matching service with a minimum order quantity of 1000m2. CTN chose to name this range Regal Velvet due to the plush, velvet look this velour carpet has when laid. Add a touch of glamour to your event!

If this isn't the product range for you take a look at Windsor and Salsa, the other ranges in the velour carpet section, or maybe cord carpet is the right product for you.
