

# "Once upon a time, there was a Scaary Investment . . ."

We've all heard about the investments that did well and paid off. What about the investments that didn't go as planned? What about the investments that turned into nightmares? Come join Quest IRA Inc. and share your scariest investment stories from the past. This will be an evening of fun, food, drinks, laughter, and networking. More importantly, this gives us the opportunity to say THANK YOU to our existing Quest IRA clients as well as potentially future clients. This event is open to everyone whether you are a Quest client or not. So we invite you all to come share our appreciation for one another and have some fun while doing it. This only happens once a year, so don't miss out! Come and be a part of Quest IRA's Annual . . .
