Temporary Structures & VIP Pavilions**

The BMW Owners' Pavilion

Once on the course at the Crooked Stick Golf Club, the BMW Owners' Pavilion was the perfect venue to relax over culinary delights and beverages in a stylish and spacious atmosphere.

Visitors had the choice between open-air seating, and air-conditioned interior seating with a vehicle display, flat-screen TV's and other interactive elements. Internet connections also allowed you to share the event with others.

Owners only needed to show their BMW key at the entrance to be admitted.
