[Host Gator hosting](#) is the most trusted website hosting service for the acclaimed business coach and marketing expert Michael Bashi. His latest website Hostmonopoly.com provides an in depth discussion on why Host Gator has been his most preferred hosting service since last five years. Mr. Bashi is an online marketing veteran known in the business community for his series of online tutorials. As a beginner, He spent several years switching hosting services to find out the best. Mike Bashi has reviewed more than hundred hosting services before introducing his new website. It must be mentioned here that Hostmonopoly.com is also an excellent training platform that can be accessed free of charge.

[Host Gator hosting](#) is Mike Bashi's top choice because it offers all the necessary web hosting features that people look for. Websites hosted by Host Gator load and operate with remarkable ease irrespective of the number of visitors because of availability of unlimited bandwidth. Unlimited file upload facility is another excellent feature offered by Host Gator. Mike Bashi also informs that users of hosting service from Host Gator are safe from downtime issues because their servers are powered by 130% wind energy. These remarkable features have helped Host Gator win several coveted awards over the years.

Discussing his own experience of using another provider before he started [Host Gator hosting](#), Mike Bashi says, " My hosting was hacked twice, and I lost everything and was banned from search engines because my sites were flagged with suspicious activity. After contacting the hosting company, they did restore my hosting but all my files were gone, and I had to start all over again. Getting hacked once can result in a major damage but I can eventually live with it. But getting hacked twice is something I will never forgive". In Hostmonopoly.com, Mike Bashi talks about many similar experiences to help website owners make an informed decision.
