FOR IMMEDIATE RELEASE

FOUR HOLIDAY WOOD TURNING PRODUCTS FROM ROCKLER

Razor, Ice Cream Scoop, Mug Insert and Bookmark

MEDINA, MN (October 23, 2012)- Rockler Woodworking and Hardware has introduced four new wood turning products just in time for the holiday gift-giving season: the [Razor Handle Hardware Kit](#), Chrome or Brass (48410, 44881); the [Aluminum Ice Cream Scoop Turning Kit](#) (43609); the [Mug Insert](#) (46371); and the [Bookmark Hardware Kit](#) (46505, 43642).

Razor Handle Hardware Kit, Chrome or Brass (48410, 44881)

Turn an elegant shaver with this polished shaving razor hardware kit. Accepts standard Mach 3 razor cartridges, one of the top razors in the industry. The cartridges clip easily onto the end of the razor holder and are released with the push of a button. Kit uses standard 7mm pen turning components so it can be turned on a pen mandrel. Available in Chrome or Brass finish. MSRP: \$8.99

Aluminum Ice Cream Scoop Turning Kit (43609)

This highly conductive aluminum scoop, when dipped in hot water between scoops, is a time-saving treat. Aluminum conducts heat more quickly than steel, which means a quick dip is enough to warm it, and prevent the ice cream from sticking to the scoop. Turn a custom handle for a great gift, or keep it for personal scooping pleasure. Turning blank not included. MSRP \$10.59

Mug Insert (46371)

Whether it ends up holding a cup of morning coffee or a fresh bouquet of flowers, this Stainless Steel Insert is a great way to show off turning skills, as well as that chunk of prized figured wood. It's an ideal project for mid-level to experienced turners, and will help hone spindle turning and hollowing skills. Use a solid blank, or experiment with stave construction. Turning blank not included. MSRP: \$6.49

Bookmark hardware Kit (46505, 43642)

No piece of scrap wood will escape unturned when these charming little metal bookmarks are begging for hand-turned buttons. Just use the Bookmark Turning Mandrel (43641, sold separately) to turn a small disc of beautiful wood to the same diameter, then glue it into place. Turning blank/small discs of wood not included. Available in Gold or Chrome finish. Sold in 5-Packs. MSRP: \$6.99

Note: Hi-resolution images and text to go along with this news release are available for download at www.rockler.com/news.
